Biographical/Administrative History

The Illinois Catholic Health Association was originally incorporated as the Illinois Catholic Hospital Association in July, 1973 as a not for profit corporation. It is a voluntary membership association open to all Catholic health and social service organizations providing services in the state of Illinois, and to those diocese, systems, and religious congregations that sponsor such organizations. Its primary goals include the promotion and realization of progressively improved performances in the religious, moral and professional aspects of patient care, education, research and other programs in the Catholic health facilities, to provide the means of communication and cooperation in all matters, to establish and maintain orderly channels of communication and mechanisms for cooperation and co-ordination among the members, to provide the means of communication and cooperation in matters of common concern with the Ordinaries of the State of Illinois, their representatives, support agencies and groups such as educational institutions, to provide a forum for discussion, understanding and development, to maintain and develop liason with the Catholic Hospital Association, American Hospital Association, the Illinois Hospital Association and lastly to provide a forum for discussion of the responsibilities implied and involved in the assumption of stewardship for hospitals and related health care facilities.
