Biographical/Administrative History

Bernard J. Sheil was born in Chicago on February 18, 1886 the son of James and Rosella (Barclay) Sheil. He was educated at St. Viator's College and Seminary in Bourbonnais, II. Sheil was ordained on May 21, 1910 by Archbishop James Edward Quigley. Between 1910 and 1928 he engaged in pastoral work and also served as Chaplain to the Great Lakes Naval Training Station and the Cook County Jail.

His appointment as Assistant Chancellor of the Archdiocese of Chicago in 1924 was the precursor to a lifelong commitment to the administration of the Archdiocese. He served as Assistant Chancellor until 1928, when he was appointed Auxiliary Bishop on March 25, 1928 and named Vicar General. He was appointed pastor of St. Andrew's in 1935 and remained as Vicar General until Cardinal Mundelein's death in 1939.

During this time, Sheil became a nationally recognized figure. He founded the Catholic Youth Organization (C.Y.O.) on October 17, 1930. Serving as a model for other dioceses, the C.Y.O. became the preeminent youth organization in America. In Chicago, publicity centered on the sports programs of the C.Y.O. The C.Y.O. Boxing Tournament was the primary fundraiser throughout the 1940s and 1950s.

Besides the numerous sport programs, the C.Y.O. also encompassed various social programs. C.Y.O. Hotels operated as halfway houses for recently released prisoners. The Nisei House offered a social center for recently admitted Japanese immigrants. The Salvage Mission, Vacation Schools, and Radio Station WFJL are more examples of the wide range of C.Y.O. activities.

Sheil was also instrumental in establishing educational programs for deprived youth. The Sheil International School of Social Studies was operated by the C.Y.O., as was the Sheil Reading Service. The Lewis Technical School was founded as an aviation School with the Assistance of Sheil and his friend, Frank J. Lewis.

Sheil resigned unexpectedly from the C.Y.O. in 1954. Although he continued to serve as pastor of St. Andrew's until 1966 (when he was made Pastor Emeritus), his role in the administration of the Archdiocese was greatly lessened. He was promoted to Titular Archbishop on June 5, 1959. In 1966 he retired to Arizona where he died on September 13, 1969.

Provenance

Prior to his death in 1969, Bishop Sheil moved all of his personal belongings to Arizona where he retired in 1966. Although most of this material is largely unaccounted for, some personal papers do remain. They are contained in this collection.

The material in this collection was drawn from two different sources. Some materials had existed in the Archives of the Archdiocese under Fr. Madaj's tenure. This material included some ephemera and scrapbook of the State of Israel Bonds Man of the Year award presented to Sheil in 1959.

The remainder of the collection was found in the vault in the basement of the Administration Building at St. Mary's of the Lake University in Mundelein, IL. This included transcripts of Speeches, framed photos and correspondence, and the scrapbooks.

Accruals

Separations

A small amount of material pertaining to Bishop Sheil's role as Director of the C.Y.O. is available in the C.Y.O. Collection.

Scope & Content

The collection was processed from December 1987 to January 1988. The speeches have been arranged chronologically by folder title where no date was evident. Exact speech titles have been placed in quotation marks on the container list. Where no title was available, either place name, organization name, or subject serves as the folder title.

A co-lateral photograph collection has been established. All of these photos were found at St. Mary's of the Lake. Many of the photos were in albums; original order has been respected in this regard.
